

Doing Business with the DLA

The Northwest Commission Procurement Technical Assistance Center (PTAC) will present a free training seminar entitled "Doing Business with DLA." The Defense Logistics Agency (DLA) is the agency of the U.S. Department of Defense that provides the Army, Navy, Air Force, Marine Corps and other federal agencies with nearly 100 percent of the consumable items needed to operate – from food, fuel and spare parts to uniforms, medical supplies, and construction and barrier equipment.

This session will cover how and what DLA buys and provide attendees with basic knowledge on how to use the agency's internet bid board system (DIBBS) and technical data forms (c-Folders) to find opportunities and bid on solicitations. The sponsoring organizations will also discuss their services and how to use them to assist in developing, growing and nurturing continued business success.

October 5, 2016

9:30 A.M. - Noon

Center for Business Ingenuity

900 State Street, Room 104, Erie, PA 16501
