Join the NEFF *Automation Experts* in Kersey, PA for a one-day event to showcase the quality automation products that NEFF and its partners have to offer. Many manufacturers will be there to demonstrate the latest innovations in automation technology, including:

- Collaborative Robots
- I/O Link
- Machine Vision
- Electro Mechanical
- Motion Control
- Machine Safety
- Pneumatics
- Vacuum Systems
- Aluminum Extrusion

The five events of the 2016 NEFF Demo Expo! series were so successful, that we have expanded the series this year. And whether you were at the Demo Expo! last year or not, we'd like to invite you to attend.

This year there will be even MORE excitement, MORE vendors, MORE technology, MORE free food and drinks, MORE working demos of our industry's coolest and latest products… and needless to say, **you have to be there!**

## Breakout Sessions to include:

10:40 Applying Collaborative Robots to Repetitive Operations, Universal Robots
11:00 Guarding solutions for meeting updated press safety standards, NEFF Value Add
11:20 Product Handling and End of Arm Tooling Solutions using Vacuum, PIAB
11:40 Lessons Learning in applying Electro-Mechanical Actuators, Neff
1:20 Seamless Integration of Robotics with Allen Bradley Control Systems, Yamaha
1:40 Actuator Product Sizing and CAD Tools, PHD
2:00 Position Control with Low Cost Variable Frequency Drives, Danfoss
2:20 The future of I/O Systems: Understanding I/O Link, Balluff

*We can't think of a better way to spend a long lunch break!*
