The Secrets of Successful Networking

Join us for the next WiM Pennsylvania Chapter meeting, featuring an educational program, “The Secrets of Successful Networking”. Do you dread going to an event because you may not know anyone there? Do you consider yourself shy? Are you unsure of how to start a conversation with a stranger?

If you answered yes to these questions, you’re not alone. As an author, keynote speaker, Certified Professional Organizer, Productivity Coach and owner of Asentiv, Patty Kreamer knows what it means to build a successful business network—she has grown her businesses over the past 18 years through pure networking.
