Impact of COVID-19 on **Human Resources**

Avoiding Pitfalls and Maximizing Resources for Support

Attorney Mark Kuhar has been practicing HR law at the Knox Law Firm in Erie for over 25 years. He has been advising life-sustaining businesses regarding COVID-19 throughout the closure, and many others who have just reopened during the yellow and green phases. He suggests that employers move quickly from ensuring compliance and "staying safe" to mastering HR challenges which allow them to manage business risks. The program will include highlights of recent experiences of companies with employees who have tested positive for COVID-19.

Attorney Kuhar will review questions most frequently arising in his practice. You are encouraged to submit questions in advance (or during the program) so the webinar can be customized for the participants' needs. Email questions to mreichard@nwirc.org.
