

RESEARCH TAX CREDIT: OPPORTUNITIES IN THE MANUFACTURING SECTOR

As manufacturers change their product offerings to meet the ever changing needs of their customers, the R&D Tax Credit can be a vital part of the formula for success. It's a new world of manufacturing out there. Got new customers? Got new products? Get a tax credit!

Please join Michael Neubauer, Kevin Oviatt, and Scott Herzing of McGill, Power, Bell & Associates for a discussion on the major opportunities of the Research & Development Tax Credit and how this tax credit can help with cash flow during uncertain times.

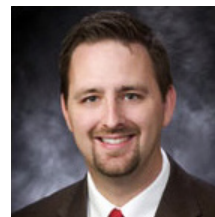

There will be time allotted at the end of the webinar for Q&A. Questions can be submitted in advance of the webinar (please check your confirmation email for directions).
