

## **nw IRC** Book Club Professional Development *for Manufacturers*

Whether you are currently a leader at your organization, or are striving to be, there is no substitute for continuing to learn and grow, networking with like-minded peers, and adding some inspiration to make the journey more fun and rewarding. Introducing NWIRC's Book Club, with the mission of bringing together a manufacturing leadership community to discuss topics for accelerating professional development.

- Network with your peers in manufacturing only
- Professional facilitation of large group discussions and small breakout groups
- Safe environment to cultivate trust and idea sharing
- Read more deeply and better understand diverse perspectives
- Explore key takeaways and how you will use to improve your own performance

### But, what are the books?

**We'll choose the first five books, but the group will choose them ongoing.**

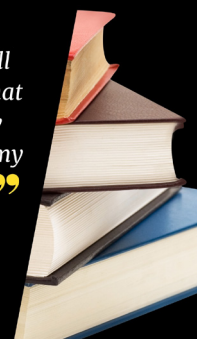

**April:** *Leading With Grit & Grace* by Ashleigh Walters (plus Q & A with Author)

**May:** *The Five Dysfunctions of a Team* by JB Lencioni

**June:** *The Coaching Habit: Say Less, Ask More & Change the Way You Lead Forever* by Michael Bungay Stanier

**July:** *Turn the Ship Around* by L. David Marquet

**August:** *Gung Ho!* by Ken Blanchard

“ Reading is still  
the main way that  
I both **learn** new  
things and **test** my  
understanding.”

**Bill Gates**

**We'll buy!**  
The first 15 to register will  
receive these five books on us!

**Good for your MIND, good for LEADERSHIP,  
and good for BUSINESS!**
