

# Making High-Quality Decisions

May 17, 2022 | 8:00am-12:00pm | Ridgway

Using an engaging simulation, this course teaches a logical decision-making process that addresses the critical elements that result in high-quality business decisions. Participants will develop the skills and confidence to generate options and compare them to important decision criteria, and to select the best course of action. Utilizing this process will also help individuals avoid the pitfalls that often undermined high-quality decision making.

## Helps Individuals:

- Make business decisions more effectively and confidently
- Avoid obstacles to objective analysis and judgments
- Involve the right people at the right time in the decision-making process
- Gain the help and support needed to make high-quality decisions and to implement them
