

# 8 GR8T Tours

- Networking**
- Building Relationships**
- Collaborating**
- Sharing Best Practices**
- Making New Connections**

Mark your calendar to join the **GR8T Manufacturing Partnership** for a series of tours at manufacturing facilities in northwest PA!

It's an opportunity to connect with your peers from across the region and strengthen this sector partnership for a greater impact on manufacturing in Pennsylvania. Increased networking is a much needed focus identified by the regional industry leaders.

### What is GR8T Manufacturing?

GR8T Manufacturing launched in November 2018 as a business-led partnership for manufacturers in Clarion, Crawford, Erie, Forest, Lawrence, Mercer, Venango, and Warren Counties. Leaders come together to define a shared agenda based on the priorities that most impact the vitality and competitiveness of the industry in this region.
