

IMPROVE

Driving Impact for Manufacturers

LEANTOGETHER™

Build a culture of continuous improvement

Do priorities for your business include:

- Meeting current customer demand and quality expectations more profitably
- Improving operations to better compete on new business opportunities
- Providing a workplace environment that attracts and retains the best employees

For all these priorities, it comes down to doing more with less, and doing it better!

Lean Together™ 1.0 is a collaborative learning group for building a culture of continuous improvement, based on concepts from the book, *2 Second Lean*. The monthly program includes classroom sessions and facility tours. In addition, your company will have access to an online platform for on-demand learning about the Foundations of Lean, 8 Wastes, and 5S for engaging ALL employees.

Join our next cohort starting:

August 2023

"Lean Together has helped our employees realize that working together as a whole group, and gathering multiple ideas from each other, makes us a stronger and more productive team. As a result, multiple new production records have been set."

-Debbie Neal, President, Franklin Industries

**\$300/month
(2 seats)**
