Mastering Emotional Intelligence

February 13, 2024 | 9:00am-2:00pm | Erie

Mid-to senior level leaders will assess their own emotional intelligence (EQ) and learn to prevent the emotional hijacking that can interfere with personal intentions and organizational outcomes.

Helps leaders:

- realize how EQ affects business results
- understand how emotional hijacking interferes with values and outcomes
- recognize the five elements of EQ and learn skills to strengthen each one
- analyze their own EQ and the impact of their skill level on those around them
- identify their emotional triggers and apply techniques so they can respond effectively rather than react inappropriately

Competencies developed:

- Building and Earning Trust
- Emotional Intelligence Essentials
