nwIRC
Driving Impact for Manufacturers

Virtual Leadership Series

Level up your leadership skills in just six weeks with NWIRC's virtual series starting October 7. From mindset to conflict resolution, you'll learn practical tools and real-world strategies to help you lead with confidence, clarity, and impact.

Session 1: The Mindset of a Great Leader - Discover how your mindset shapes team dynamics and unlocks leadership potential.

Session 2: Essential Communication Skills - Strengthen verbal, non-verbal, and written communication to lead with clarity.

Session 3: Communicating with Different Personality Types - Learn to connect across personality styles and build stronger working relationships.

Session 4: Getting Comfortable with Conflict - Turn workplace conflict into growth opportunities with practical resolution strategies.

Session 5: Taking Ownership & Building Confidence - Model accountability and inspire confidence in yourself and your team.

Session 6: Team Building & Skill Transfer - Boost team cohesion and learn how to effectively pass on your skills.

6-Part Series

October 7, 14, 21, 28
November 4, 11

9:00am-11:00am
